Welcome Spring!

April 16, 2010

Laura Greenleaf
Principal

Dear Families,

As the end of the school year quickly approaches I would like to again say how proud I am of your children. They are a pleasure to work with and have made tremendous progress this year.

Thank you to parents/guardians of 3rd through 5th grade for having your children here and on time for SBA testing. We had almost 100% attendance for each day.

During May there will be more testing so that we can continue to assess progress and to plan our academic program for next year.

Our afterschool tutoring has been very beneficial to all students who attended. Tutoring will end on April 29th for this school year. Thank you to teachers and students who participated.

Dental Sealants will be done Sept. 28th from (9:00-3:00). These are for the children who have turned in their forms.

Bike Rodeo-For the 4th and 5th Graders will be on the 28th at 12:30-2:30. Each child will get a free bike helmet.

Ask about the story teller that came to our school on the 17th.

Field Trip to the National Hispanic Cultural Center

We have been invited to attend GLOBALQUERQUE ON FRIDAY THE 25TH OF Sept. The whole school will attend this field trip. We are only allowed to bring 20 adults so we will not be able to bring more

than a few parents. We will take the first parents that let us know that they are coming.

Permission slips due on the 23rd!

If there have been several behavior problems during the week before a field trip then we may ask the student to remain behind. Please remind your children of the importance of being in school and behaving.

School Lunches

The cafeteria is now offering salads for lunch. Your children may order a salad in the morning in place of the school entrée.

Sack lunches will be provided on our field trip. Do not send any money!
