BES Student Back to School Plan
DESIGNATED ENTRANCES

• Each grade level has a designated entrance and has been marked.
• At the main entrance to the building designated for 3rd grade and parent drop off and pick up there are colored floor markers indicating the path for each grade level:
  - 3rd: red
  - 4th: black
  - 5th: orange
• Staff will also be assigned to designated areas to help guide students to where they need to go and the side of the hallways that they need to use.
PROCESS FOR ENTERING THE BUILDING

Once students enter the building their temperature will be checked by a staff member.

If the student or staff member’s temperature is within the normal range (below 100.4) they will be guided by other staff that will be positioned around the school to direct them to their classrooms where the teachers will greet them.

ONLY District personnel are allowed in the buildings at this time for the safety of the students and staff.

Students will go directly to their classroom for breakfast.
Each teacher has been assigned a recess

3rd and 4th grade will have recess in the afternoon
5th grade will have recess in the morning

Each teacher has been given at least 2-3 restroom breaks throughout the day

Recess and restroom breaks have been scheduled to minimize the amount of students and staff in the hallways at any given time.
Based on current numbers students will be allowed to have lunch in the cafeteria and in our outdoor lunch area.

The seating and capacity in the cafeteria adhere to all guidelines.

Each lunch is 30 minutes to provide time to clean between groups of students.
Students will be dismissed at 3:30pm

Students will exit the building through their designated grade level entrances and or bus area.
