Parent/Student PowerSchool Account

Do you have a Parent PowerSchool Portal Account? This is the site parents and students can use to view student schedules, attendance, and grades.

- If you had a Parent PowerSchool Portal Account and you forgot your password, please contact your child's [school](#) and speak to the school registrar so they can reset your password.
- If you are new to the district and never had an Parent PowerSchool account, please register your child first through the online registration platform and then contact the school registrar so they can create a new record in PowerSchool to generate the Access Letter you will need to create your [Parent PowerSchool Portal Account](#). There is a possibility you will need to visit your student's school and present a photo ID to obtain this letter.

Frequently Asked Questions

- **What is PowerSchool Enrollment/InfoSnap?**
- PowerSchool Enrollment/InfoSnap is a secure process that allows the District to verify all student information for your child prior to the start of the new school year. The system will also allow you to electronically sign the annual permission forms for school district policies.
- **Why is BPS making this change now?**
- For families, PowerSchool Enrollment/InfoSnap eliminates the need to fill out and return paper packets to your school. For schools, it minimizes data entry for staff and increases accuracy in our records.
- **How do get I started?**
- **For Returning Students:** Are students that was in-rolled during the School Year 2020-2021 and should have received a snapcode via email or you can contact your school to get the snapcode. You will need this before you can begin registration.
- **What's a snapcode?** It is an access code (like a key) that is a 15 digit/alpha combination access code to your Returning student(s) data.
- **For Students New to the District:** If your student never been in the Bernalillo Public Schools District or was not enrolled during School year 2020-2021, then you will need to register with the new student link.
- **I do not have internet access or a computer. What do I do?**
- Please call your school, they can arrange for you to use a school computer.
- **Do I have to answer every question?**
- No, but it is important that BPS schools have the necessary information to best serve your child. There are questions that are mandatory and will indicate (required) next to the question. You will not be allowed to submit without answering the required questions.
- **What if I made a mistake?**
- If you would like to make a change - prior to submitting the form - you can either navigate back to the page using the "<Prev" and "Next>" buttons. Or, if you are on the Review page, click on the underlined field. If you have already submitted the form, then you will need to contact your student's school, so staff members can make the changes for you.

- **I've completed the form. Now what?**
- Once you have finished entering your information, click "Submit." This will send all of the information you have entered to the school. If you cannot click on this button, you will need to make sure that you have answered all required questions.

- **What if I have more than one student in the district? Do I have to do this each child?**
- Yes, because you will need to provide information that is specific for each child. We recommend that you complete and submit one form and then start another – this will allow you to "snap" (or share) selected family information, which saves you time.

- **I'm not sure how to answer a question. I do not know what the question is asking.**
- Do not hesitate to call your school if you have a question about a specific item.

- **I'm having technical issues and I'm stuck. What do I do?**
- If your school cannot help you, please call the PowerSchool Enrollment/InfoSnap Support Line toll free at (866) 752-6850 or support@InfoSnap.com or you can email Sharon Frost at sfrost@bps.k12.nm.us.
