

Bernalillo Store House

Supporting Our Community

The BPS Store House is changing! Formally located on the Bernalillo Middle School Campus, the Store House is now a virtual resource providing students and families in need of new clothing items, school supplies, basic necessities, shoes, coats and even food items.

The BPS Store House resource is here to provide support. In just three easy steps!

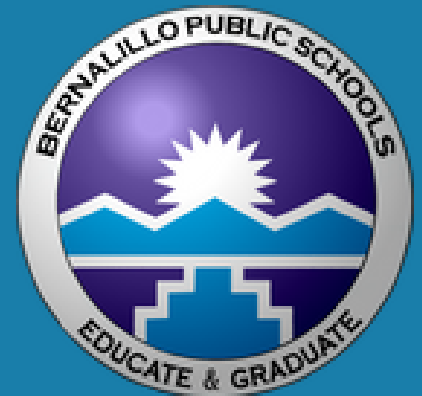

1. Contact Michelle Padilla or the counselor at the school site.
2. Indicate what items are in need in a confidential conversation.
3. Make arrangements to pick up the needed items.
