Don’t forget we’re still in the middle of winter! Please bundle up your students. Dress in layers. Wear hats, a thick jacket, and gloves. Students may not stay inside for recess unless they have a doctor’s note stating restrictions.

Here at Algodones Elementary School, we believe that parents, teachers, and students working together are the keys to success for every student. Please make every effort to keep your appointment with your child’s teacher. We appreciate your involvement in your child’s education.

THURSDAY, JANUARY 30TH
5:00 – 7:00PM

Join AES and Explora in this opportunity for families to work together solving and exploring science experiments. These activities enhance partnerships between home and school. These events are self-directed, hands-on explorations!
