Staff access

I have read, understand and will abide by both the “Bernalillo Public School District Acceptable Use Policy” and the “Student Acceptable Use Procedures”. I further understand that any violation of the Policy or Procedures may enact school district disciplinary procedures or constitute a criminal offense. Should I commit any violation, my access privileges may be revoked, school district disciplinary actions may be taken, and/or appropriate legal action may be initiated.

I understand that from time to time additional guidelines for technology use may be deemed necessary by the school district administration. These guidelines will be distributed to staff via email and be permanently placed on the district documents located in the “I” drive for review. It is my responsibility to be familiar with these guidelines and to respect them as an addition to this Acceptable Use Policy.

I understand that the Internet is a worldwide group of multiple computer networks. I know that the Bernalillo Public Schools do not control the content of these Internet networks. When using the networks, I realize that I may read or view material that I might consider controversial or offensive. I am requesting access to the schools’ computer data networks and the Internet.

The Staff AUP can be found in the Education Technology Folder located on the “I” drive.
