Please refer to instructions below:

Please drive up through the food distribution line toward the drop-off bin to return your “old” library books. Then continue to drive up to retrieve “new” book bag(s). Indicate how many students you are picking up for and their grade levels. Books are not being “checked out” to students. Rather, we are using the HONOR system. We are asking that books be returned within 2 weeks at any book distribution site so that students may continue to receive more books.
